

VHA INNOVATION EXPERIENCE (iEX) HEADS TO CHICAGO!

Veterans Health Administration's Office of Healthcare Innovation and Learning (VHA OHIL) invites you to the **2024 VHA Innovation Experience (iEX) Conference, held October 29-30 in Chicago, IL.**

iEX is the annual flagship conference for OHIL, showcasing employee driven innovations, collaborations, and the journey of innovation - ultimately highlighting VA's commitment to delivering upon our mission of serving all who served.

iEX is open to anyone and provides Veterans, industry leaders, and the public an opportunity to experience and celebrate how innovation, collaboration, and technology are forging the future of Veteran health care.

REGISTER NOW

The 2024 VHA iEX will take place in-person October 29-30, at the **InterContinental Chicago Magnificent Mile Hotel** in Chicago, IL.

Scan the QR code for information on registration, agenda highlights, and more! Seats are limited, so secure yours by registering to attend VHA iEX in-person today. Email iex@va.gov with questions.

THE EXPERIENCE

iEX 2024 is a power-packed, two-day event. With the theme of "Collaborating for Change," the agenda features exciting keynote speakers, expert panels, breakout sessions, and a collaborative Exhibit Hall, giving you the opportunity to be part of the future of health care.

Join fellow visionaries in shaping the future of health care and explore ways VA is improving care for all who served, now and into the future.
